

part of eex group

We are hiring

For the further team development on our headquarter in Leipzig, with start to the next possible date, we are looking for you as an

Business Continuity Management Specialist (f/m/d)

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EPEX SPOT, Powernext and PXE as well as the partner exchanges HUPX and NOREXECO. ECC is part of Deutsche Börse Group.

Your tasks:

ECCs Business Continuity Management (BCM) provides a framework to identify, assess and mitigate potential threats to the organization and the impacts to business operations those threats might cause.

The BCM Specialist supports the overall implementation and execution of the BCM programme, including policies and procedures relating to business continuity, disaster recovery, and incident/crisis management. The BCM Specialist trains, advises and controls the business departments in the application of BCM and reports about the organisations BCM readiness.

Your profile:

- Professional experience in the field of Business Continuity Management or IT Service Continuity Management (e.g. as a Process or Product Manager, Crisis or Incident Manager)
- Professional experience in the design and/or implementation of risk management, compliance, audit or similar governance frameworks
- Preferrably knowledge of regulatory requirements and industry best practices in the financial services sector
- Fluent in German and English, both written and verbally
- Independent, structured and solution oriented style of working, attention to detail
- Excellent relationship building and communication skills; eager to learn

Interested? Please send your complete application to jobs@ecc.de

Applications from people with disabilities are welcome and will be given preferential treatment.
