

## We are hiring

To further develop our team in our Leipzig headquarters we are looking for you as

### **Director Software Development (f/m/d)**

The European Energy Exchange (EEX) is the leading energy exchange in Europe which develops, operates and connects secure, liquid and transparent markets for energy and related products. As part of EEX Group, a group of companies serving international commodity markets, EEX offers contracts on Power, Emission Allowances and Coal as well as Freight and Agricultural Products. EEX is part of Deutsche Börse Group.

You will be responsible for further developing our mission critical applications within the central trading and clearing departments and data services. This role is a great opportunity if you are interested in modern software solutions within a growing industry.

#### **Your tasks:**

- Responsibility for the software development teams in the department
- Responsibility for the development methodology and collaboration with other stakeholders
- Technical ownership of the applications under development
- Technology leadership

#### **Your profile:**

- A degree in Information technology or equivalent with relevant experience
- Demonstrated competence in managing software development
- Profound knowledge of software architecture and current technologies (e.g. cloud, messaging)
- Knowledge of the clearing or trading business is an advantage
- Ability to drive change in a fast paced environment
- High command of English and strong communication skills are essential

#### **We offer you:**

- The opportunity to be part of IT development in the energy sector – a growing industry
- A pleasant atmosphere in an international team
- Continuous training offers for your personal development
- Attractive compensation and benefits package (pension fund contributions, meal vouchers, job ticket, childcare allowance etc.)
- Bespoke onboarding plan

**Applications of candidates with disabilities are welcome and will be given preferential treatment if equally suitable.**

**Interested? We are looking forward to receiving your application, including CV, motivation letter and documents by stating the desired salary and earliest possible starting date via email to: [jobs@ecc.de](mailto:jobs@ecc.de)**
