

We are hiring

To support our Information Security Team at our Headquarters in Leipzig, we are looking to recruit a

IT Security Professional – CERT (f/m/d)

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EPEX SPOT, Powernext and PXE as well as the partner exchanges HUPX and NOREXECO. ECC is part of Deutsche Börse Group.

The information security team is responsible for creating the information security framework, the execution of 2nd line of defence audits, the definition of the security architecture and management of security incidents in the context of cyber security threats.

Your tasks:

- Defining a target picture for security operations & CERT for our 24/7 business
- Continuous security monitoring of our managed IT services
- Continuous monitoring and reporting of vulnerabilities and threats including assessment and initial mitigation measures
- Management and execution of penetration tests
- Acting as a primary contact for any questions relating to internal and external security operations
- Supporting the ISO function in the overall management of information security

Your profile:

- Degree in computer science or a related discipline incl. business English at negotiation level
- Experience in the field of information security is essential
- Experience as an IT Security Application Manager, IT Security Consultant or IT Security Specialist in the context of Security Operations / CERT advantageous
- Knowledge of German banking-related regulatory landscape and information security requirements
- Knowledge of information security management according to ISO 2700X standards and “BSI Grundschutz”
- Certification CISSP, TISP or CISA advantageous
- Solid communications skills

We offer you

- The opportunity to be part of IT security in the energy sector – a growing industry
- A pleasant atmosphere in an international team
- Continuous training opportunities for your personal development
- Attractive compensation and benefits package (pension fund contributions, meal vouchers, job ticket, childcare allowance etc.)
- Bespoke onboarding plan

Applications from candidates with disabilities are welcome and will be given preferential treatment if equally suitable.

Interested? We are looking forward to receiving your application, including CV, motivation letter and documents by stating the desired salary and earliest possible starting date via email to: jobs@ecc.de
