

part of eex group

We are hiring

To support our Information Security Team at our Headquarters in Leipzig, we are looking to recruit a

Head of Information Security/ISO (f/m/d)

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EPEX SPOT, Powernext and PXE as well as the partner exchanges HUPX and NOREXECO. ECC is part of Deutsche Börse Group.

Your tasks:

- Leading the Information Security Team as appointed Information Security Officer (ISO)
- Supporting the management by advising on all issues of information security
- Management and coordination as well as further development of the institution's information security process as well as monitoring the involvement of IT service providers and assisting in any related tasks
- Ensure the prediction, prevention and detection of as well as response to cyber threats, in full cooperation with all relevant stakeholders
- Acting as a contact for any questions relating to information security coming from within the institution or from third parties;
- Ensuring full compliance with relevant laws, regulations and group policies
- Delivering education and awareness training as required to employees
- Examining essential information security incidents and reporting these to the management board

Your profile:

- Degree in Computer Science or a related discipline incl. business English at negotiation level
- Previous excellent experience in the field of information security is essential (including experience in managing the information security team)
- Knowledge of German banking related regulatory landscape and requirement related to information security
- Excellent knowledge on information security management according to ISO 2700X standards and "BSI Grundschutz"
- Ability to explain technical risk in a business context
- Highly self-motivated and capable to work under pressure
- Solid communications skills

We offer you

- The opportunity to be part of IT security in the energy sector – a growing industry
- A pleasant atmosphere in an international team
- Continuous training offers for your personal development
- Attractive compensation and benefits package (pension fund contributions, meal vouchers, job ticket, childcare allowance etc.)
- Bespoke onboarding plan

Applications from candidates with disabilities are welcome and will be given preferential treatment if equally suitable. Interested? We are looking forward to receiving your application, including CV, motivation letter and documents by stating the desired salary and earliest possible starting date via email to: jobs@ecc.de
