

We are hiring

To support our Information Security Team at our Headquarters in Leipzig, we are looking to recruit a

Identity and Access Management Engineer (f/m/d)

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EPEX SPOT, Powernext and PXE as well as the partner exchanges HUPX and NOREXECO. ECC is part of Deutsche Börse Group.

Your tasks:

- Analysis and understanding of business, compliance and Information Security requirements for IAM
- Designing, configuring and implementing IAM Solutions (tools and processes)
- Designing and onboarding of processes related to identity management from the business and technical perspective (e.g. identity management lifecycle, requesting access and entitlement, accountability of entitlements)
- Designing roles & entitlements model including the Segregation of Duties Matrix across all layers of Information Technology
- Conducting Research, Analyzing Data and Creating Reports
- Identifying Risks and Mitigating Threats
- Operating IAM solutions
- Managing the recertification process

Your profile:

- Degree in computer science or a related discipline incl. business English at negotiation level
- Experience in the field of identity/access management and information security is essential
- Knowledge of German banking-related regulatory landscape and information security requirements
- Knowledge of ITIL best practices, MaRisk and information security management according to ISO 2700X standards
- Certification CISSP or CISA advantageous
- Solid communications skills

We offer you

- The opportunity to be part of information security in the energy sector – a growing industry
- A pleasant atmosphere in an international team
- Continuous training opportunities for your personal development
- Attractive compensation and benefits package (pension fund contributions, meal vouchers, job ticket, childcare allowance etc.)
- Bespoke onboarding plan

Applications from candidates with disabilities are welcome and will be given preferential treatment if equally suitable. Interested? We are looking forward to receiving your application, including CV, motivation letter and documents by stating the desired salary and earliest possible starting date via email to: jobs@ecc.de
