

part of eex group

We are hiring

For the further team development on our headquarter in Leipzig, with start to the next possible date, we are looking for you as an

(Senior) Project Manager (f/m/d) -Clearing & Commodity Markets-

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EEX Asia and EPEX SPOT as well as other partner exchanges. ECC is part of Deutsche Börse Group.

Your tasks:

- Direct and manage the entire life-cycle of functional and technical, local and international projects of varying sizes and complexity following the PRINCE2 methodology
- Identify and proactively manage project risks and issues as well as project dependencies and critical path, proactively manage changes in project scope, and devise contingency plans
- Work with resource managers to identify and acquire the required project personnel from within the company, or determine and assess the need for additional staff and/or consultants
- Develop and maintain close and effective working relationships with senior stakeholders to ensure clear communication lines are in place and functioning for the work in progress and planned
- Coach, mentor, motivate and supervise project team members, and influence them to take positive action and accountability for their assigned work

Your profile:

- Demonstrable ability to plan, execute and control projects in a structured project management environment (e.g. PMI, PRINCE2)
- Strong analytical and information gathering skills; with the ability to create solid written project artefacts, including business cases
- Hands on experience using Microsoft product set including Word, Excel, PowerPoint, Project, and Access
- Must have excellent communication skills both written and verbal in German and English; French or other languages advantageous
- Excellent inter-personal skills – the ability to interact professionally with a diverse group of customers, business partners and colleagues including subject matter experts, managers and executives
- Ability to manage and motivate a team of project team members of varying levels of skill and experience
- Flexible, pragmatic approach and willingness to put in the effort to achieve deadlines, ability to adapt/change behavior or plans to better achieve the target/objective
- Strong problem-solving, lateral thinking, and organizational skills
- Demonstrated success in a fast-paced environment with ability to juggle multiple competing projects and demands and remain calm under pressure

Interested? Please send your complete application to jobs@ecc.de

Applications from people with disabilities are welcome and will be given preferential treatment.
