

Supplement to the MiFID II/MiFIR Data Services Agreement: Modification of the default values for the risk reducing indicator

Reporting Participant (complete name of the company)
ECC Member ID (if applicable)
Legal Entity Identifier (LEI)

This supplement to the MiFID II/MiFIR Data Services Agreement (Supplement) amends the information provided by the Reporting Participant under Section 2.1 of the Subscription Form of the currently valid MiFID II/MiFIR Data Services Agreement (Agreement) dated _____ regarding the default values for the risk reducing indicator for **position reporting**.

Please specify the default value for the **position risk reducing indicator** below that shall be used by EEX AG if no other information is provided (tick one box only):

- TRUE (risk reducing for all accounts)
- FALSE (non-risk reducing for all accounts)
- TRUE (risk reducing) for P1 account and FALSE (non-risk reducing) for all other accounts
- TRUE (risk reducing) for P2 account and FALSE (non-risk reducing) for all other accounts

The Reporting Participant hereby requests to modify the provision of MiFID II/MiFIR Data Services accordingly:

- As soon as possible, however not earlier than five working days after the notification of acceptance by EEX;
- As of _____

We herewith request the modification of the MiFID II/MiFIR Data Services Agreement. This Supplement replaces the default value for the position risk reducing indicator of all prior Agreements relating to MiFID II/MiFIR Data Services.
