

EPEX SPOT is looking for an End User Computing Administrator

Fluent in English

Permanent employment contract

THE COMPANY

The European Power Exchange EPEX SPOT SE and its affiliates operate short-term electricity markets for Germany, France, United Kingdom, the Netherlands, Belgium, Austria, Switzerland and Luxembourg; markets representing 50% of European electricity consumption. Joining EPEX means to work for a dynamic company which operates in a constantly moving landscape, where regulation, power generation and consumption fundamentals keep evolving. EPEX SPOT plays a pivotal role by ensuring that the pricing of electricity on the wholesale market remains accurate by offering its members the right products for power trading. Our strength is our staff, consisting of ambitious team players who all want to shape the future of the European power market. Striving for the well-functioning Internal Energy Market, EPEX SPOT shares its expertise with partners across the European continent and beyond. We offer you the opportunity to be part of this endeavor. Do you want to change the world of power? Join us!

EPEX SPOT is a European company (Societas Europaea) in corporate structure and staff, based in Paris with offices or affiliates in Amsterdam, Bern, Brussels, Leipzig, London and Vienna. 270 companies have traded 530 TWh of electricity on EPEX in 2016. EPEX SPOT is member of EEX Group, part of Deutsche Börse. European electricity transmission system operators hold 49% of EPEX SPOT through HGRT.
