

part of eex group

We are hiring

For the further team development on our headquarter in Leipzig, with start to the next possible date, we are looking for you as an

Business Analyst (f/m/d) -Clearing & Commodity Markets-

European Commodity Clearing (ECC) is the leading clearing house for energy and commodity products in Europe. ECC assumes the counterparty risk and guarantees the physical and financial settlement of transactions, providing security and cross-margining benefits for its customers. As part of EEX Group, ECC provides clearing services for EEX, EPEX SPOT, Powernext and PXE as well as the partner exchanges HUPX and NOREXECO. ECC is part of Deutsche Börse Group.

Your tasks:

- Drive the development of clearing, settlement and risk management services for international commodity markets
- Support regulatory, infrastructural and organizational initiatives
- Analyse, evaluate, develop and document solutions for business ideas and functional requirements
- Deliver status reports, proposals, and presentations
- Build and maintain close and effective working relationships with (senior) stakeholders, relevant business partners, other business segments, and software vendors
- Manage the efforts of third party contractors and consultants
- Coach team members and stakeholders on new business concepts and improvements

Your profile:

- Fully proficient in software applications such as Excel, Word, PowerPoint, etc.
- Experienced in working at the interface of information technology and functional business segments within an organization
- Strong collaborator and communicator – written and verbally –, eager to learn
- Plans several steps ahead, thinks and performs both tactically and strategically
- Able to tackle several projects simultaneously, works well within a dynamic, fast-paced, and growing organization and an ambiguous and rapidly changing business environment
- Able to work on varying level of detail as needed

Interested? Please send your complete application to jobs@ecc.com

Applications from people with disabilities are welcome and will be given preferential treatment.
