

TRAINING ON THE EEX

The European Energy Exchange (EEX) offers the following training courses:

General exchange training course

- Description:** General training course regarding EEX and EPEX Spot
- Content:** Basics, admission to trading, trading, products (Power, Natural Gas, Emissions and Coal), settlement and margining
- Target group:** Persons wishing to attain a fundamental understanding of these exchanges
- Duration:** 1 day (5 hours)

EEX and EPEX Exchange trader training courses

- Description:** Detailed training regarding trading on the EEX Spot Market for Natural Gas and CO₂, on the EEX Derivatives Market for Power, Natural Gas, CO₂ and Coal as well as on the EPEX Spot Power Spot Market in connection with an exchange trader examination. Successful completion of this examination constitutes one of the preconditions for participation in trading.
- Content:** Products and their trading processes
- Target group:** Persons from trading and from fields related to trading
- Duration:** 1 day for the Spot Market incl. examination (in the morning: EPEX Spot Power/in the afternoon: EEX Natural Gas and CO₂)
2 days for the Derivatives Market incl. examination (Power, Natural Gas, Emissions and Coal)

EEX Clearing training course

- Description:** Detailed training course regarding the settlement of transactions on European Commodity Clearing AG (ECC)
- Content:** Products and their settlement and/or margining processes
- Target group:** Persons from the settlement, financial controlling and risk management fields
- Duration:** 1 day

EEX Systems training courses (planned)

- Description:** Detailed training course on the trading and clearing systems used
- Content:** Presentation of the system functions
- Target group:** Persons directly working with the systems
- Duration:** 1 day

TRAINING ON THE EEX

Venue

All training courses are offered in carefully selected conference hotels. We are also pleased to offer you in-house training courses tailored to your needs; a trainer from EEX will carry out the training in rooms selected by you.
