## 2. Preliminary note

This application form is used to apply for recognition as Non-Trading Broker to European Energy Exchange (“EEX RM”) and/or EEX OTF (together with their operating companies in the following referred to as “EEX markets” or “EEX”). Non-Trading Brokers are neither exchange members nor trade registration members, and cannot open any position at EEX markets, therefore they cannot conduct any Give-ups in ECC position accounts. Non-Trading Brokers only enter trades on behalf and in the name of participants.

The recognition procedure consists of the following steps:

1. Please return duly signed application for acceptance as a Non-Trading Broker including relevant documentation to:

E-mail:	membership@eex.com
Phone:	+33 1 70 36 33 42

2. The management board of the Exchange shall inform the applicant in writing of its decision in respect of this application.

The recognition as a Non-Trading Broker only includes the authorisation to enter trades in the trading system on behalf and in the name of participants for which Trade Registration functionality is offered.

\* Non-Trading Brokers cannot register trades across EEX RM and EEX OTF as such cross-market-registration requires the ability of the respective broker to conclude own trades and hold own positions. Therefore cross-market-registration can only be conducted by Trading Brokers.

The legal basis for acceptance and the trade registration functionalities as Non-Trading Broker at EEX markets is based upon:

1. The Exchange Act of the Federal Republic of Germany.

EEX RM (if EEX RM is selected above under 3.1)

- Exchange Rules,

- EEX Trade Registration Rules (incl. TR Contract Specification),
- EEX Implementing Regulations as well as
- Admission Rules

EEX OTF (if EEX OTF is selected above under 3.1)

- OTF Trading Rules
- OTF Terms and Conditions

The above mentioned legal basis is completed by the relationship between the applicant and European Energy Exchange AG (operating company of EEX RM and EEX OTF). This affects in particular:

- Price lists of the EEX Group and ECC AG and
- Contracts for technical accesses.

By signing this application we assure that we are familiar and abide with the above mentioned rules and regulations. Especially we agree with the validity of the price lists of the EEX Group. All current documentation can be downloaded from the website [www.eex.com](http://www.eex.com).
