	Name of the TSO	Own agreement	Third-Party agreement (name of the owner)	

## 2. Your capability to intervene

- 2.1 REMIT Implementing Acts entered into force in January 2015 and trigger market monitoring at European level by ACER. Market participants have to register with one National Regulatory Authority (NRA) prior to entering into transactions in the European Union which are required to be reported under the Implementing Acts. For detailed information of the process, please consult the website of the NRA in the country where your company is located or active if out of the European Union.

If relevant, did your company already start the registration process (pursuant to article 9.1. of REMIT Regulation n°1227/2011)?

Yes No

If relevant, did your company already get your ACER registration code (mentioned by article 10.2. of REMIT's Implementing Regulation n° 1348/2014)?

Yes, code No

Exception: Companies applying for trading only on EPEX SPOT Swiss market segment and / or companies applying for trading on the French Capacity Market Segment are exempted from the two points mentioned above. Companies applying for trading only on EPEX SPOT Swiss market segment shall provide EPEX SPOT a letter of capacity to buy and sell electricity (D06 form that is provided at a later stage in your admission process).
