Number of Sponsored Access User IDs			
Number of DMA User IDs			
Number of OEA User IDs			
Product setup	All available products Defined in Appendix	All available products Defined in Appendix	All available products Defined in Appendix

Please use an additional sheet, if more than three Users are required.

Any changes of the responsible trader(s) and person(s) have to be reported to EEX immediately.

5. Declaration of consent for publication on the EEX website

Yes, we agree to be listed on EEX's website as an exchange participant that offers market access to EEX for non- members. Please use the following URL as link to our website:

No, we do not agree to be listed on EEX's website as an exchange participant that offers market access for non- members.

We already declared our consent or refusal regarding a publication on the EEX website.

6. Declarations

We guarantee that at all times we will comply with the conditions, requirements and instructions as set out in section 2.4. of the EEX Technical Implementation Regulation (for ORS), in section 2.7 of the EEX Technical Implementation Regulation (for OEA) or as stated below (for DEA):

- a) We have ensured contractually that only persons that are personally reliable and that have the required professional qualifications enter, change or delete orders in the T7 trading system.
- b) We submit all our potential DEA clients to a due diligence examination in order to ensure that these comply with the requirements of the Delegated Regulation (EU) 2017/589 and the rules and regulations of EEX.
- c) We have ensured contractually that our DEA Customers fulfill the pre- and post-trade obligations according to sec. 19 paragraph 2 of Regulation (EU) 2017/589. We monitor our DEA Clients' compliance with these requirements continuously.
- d) All orders and trades which are entered into the trading system or concluded in it by a person using a DEA we have granted will be labeled as such.
- e) The EEX Technical Implementation Regulation will be complied with at all times with regard to the technical access.
- f) We have ensured contractually that if our DEA clients connect a system for algorithmic trading to the trading systems of EEX, they will comply with all requirements regarding such systems and we will notify the connection of such system by our DEA Clients to EEX using the T11 form.
- g) We will forward the User IDs provided to us by EEX to our DEA Clients and have ensured contractually that they will exclusively use these User IDs when trading at EEX.
- h) Whenever we permit any of our DEA clients to grant DEA for third parties, we will ensure that our DEA clients have put in place for such third parties due diligence procedures which are, at least, equivalent to the procedures outlined in letter c).
- i) Additionally, in case of Sponsored Access:
 - i. The DEA clients are subject to pre- and post-trading inspections by us;
 - ii. Only we are entitled to specify or amend the parameters of the inspections of DEA clients described in (i).
 - iii. The parameters for risk controls and trade limits established at EEX are observed.
