

Correction of Final Settlement Prices of Skimmed Milk Powder and Whey Powder Futures for Maturity July 2023

Dear Sir or Madam,

Due to ex post corrections of the **EEX Monthly European Whey Powder Index** and the **EEX Monthly European Skimmed Milk Powder Index** for **July 2023**, the Final Settlement Prices for **EEX European Whey Powder Future** and the **EEX European Skimmed Milk Powder Future** (as communicated in *07/26/2023 EEX Final Settlement Prices, EEX Customer Information*) were corrected accordingly for the maturity **July 2023** as follows:

Contract	Old Final Settlement Price	New Final Settlement Price
FASM JUL23	2,354 EUR	2,333 EUR
FAWH JUL23	589 EUR	579 EUR

For further information regarding the correction of the underlying indices please refer to this [link](#) to our website.

The historical prices on the EEX website and server will be changed accordingly.

Please do not hesitate to contact EEX Market Operations if you have any further questions.

Yours sincerely,

EEX Market Operations
