Transfer of EUAs	Participants are entitled to transfer EUAs held in escrow for them to a registry account specified by them. The transfer is executed, at the latest, on the first subsequent ECC business day.

Specifications

EEX EUA Options Product

Contract	EEX EUA Options
Underlying	The respective maturity of the EEX EUA Future that is named in the Option as underlying.
Maturities	At maximum the current and the next 8 Dec-expiries (EUA Dec Option) are offered for trading. The exact number of the tradable maturities is determined by the Management Board of the Exchange and announced before implementation.
Option Style	European Style
Option Premium	The buyer of an option contract is obliged to pay the price for the purchase of the right of option (option premium) on the ECC Business Day after the purchase. The premium is credited to the seller of the option on the same day. Pricing: in EUR per EUA to the third decimal place; minimum price fluctuation: 0,001 € 0.001 per EUA.
Fulfillment	EEX EUA Futures Options will be exercised into EEX EUA Futures contracts
Last Trading Day	The third exchange trading day prior to the Last Trading Day of the EUA Dec Future underlying the option.
Exercise	The option can only be exercised on the last trading day. Said exercise is carried out by means of an entry into the EEX system between 08:00 a.m. and 06:45 p.m. (Exercise Period) on the last trading day. On the last trading day at 6 p.m. the exchange determines the final settlement price of the underlying and publishes it in due time before the end of the Exercise Period. In deviation to sentence 2, options which are in the money in relation to the final settlement price of the respective underlying future are exercised automatically at the end of the exercise period unless the trading participant has made a deviating entry into the system by that time. Exercises only become effective at 06:45 p.m., until that time they can be changed or deleted at any time.
