## Online comprehensive exchange trading course incl. EEX trader exam

Euro 1,500.00 net per person

**Training:** The training takes place on **15<sup>th</sup> June + 16<sup>th</sup> June + 20<sup>th</sup> June + 21<sup>st</sup> June**, each from **9am to 12:30pm**. The training will take place in **English language**.

**Examination:** The examination will take place after the course is completed and will be arranged **individually** with each participant. EEX is going to send you an MS Teams invitation. **Preferred exam date:**

The EEX Trader Examination Online can only be conducted in combination with a MS Teams video conference. Sound, video, desktop environment and/or browser window of the computer used for the examination must be transmitted. To ensure/supervise compliance with the rules, you will be monitored by an EEX Group employee when answering the questions. The video conference is not recorded. Should the videoconference break off, the examination is deemed to have been abandoned and must be repeated. Please check the necessary system requirements and that you are entitled to participate in the video conference.

After your registration to the course you will receive the e-Learning login to the system training regarding the use of the EEX trading systems and the training material. This system training is obligatory for the admission to the exam and therefore must be done before the training takes place.
