

## CUSTOMER INFORMATION 2017-03-28

### Update of Trading System Eurex T7 to version 5.0

Dear trading participant,

In line with the Eurex Exchanges' release cycle, the EEX Derivatives Trading System Eurex T7 will be updated to **version 5.0** as of **19 June 2017**.

The simulation period for T7 Release 5.0 is currently scheduled to start on 24 April 2017.

The release comprises API enhancements. Please check in the API description of Eurex T7 release 5.0 if these may affect you personally. The full release notes and all mentioned documents can be found at:

<http://www.eurexchange.com/exchange-en/technology/t7/system-documentation/release5>

For EEX customers there are no functional changes associated with this release. EEX will take care that the connection via EEX GV Portal and EEX TT Screen is updated accordingly. There is no need for manual intervention for customers accessing the EEX markets via this connections.

Please do not hesitate to contact us at +49 341 2156 222 if you have further questions.

Yours sincerely,

**Market Supervision Team**
