

Trading and clearing fees for EEX Japanese Power Futures waived until 31st October 2020

On 18th May 2020, EEX successfully launched cash-settled Japanese Power Futures for the market areas Tokyo and Kansai with first volumes being cleared.

In order to further support the development of liquidity in the new products, EEX and ECC have waived trading and clearing fees until 31 October 2020.

The following EEX trade registration fees and ECC clearing fees will apply as of 1 November 2020:

Products	EEX fees	ECC fees	Total fees
EEX Japanese Power Tokyo Area Futures (Week/Month/Quarter/Season/Year)	¥ 2.00 per MWh	¥ 1.00 per MWh	¥ 3.00 per MWh
EEX Japanese Power Kansai Area Futures (Week/Month/Quarter/Season/Year)	¥ 2.00 per MWh	¥ 1.00 per MWh	¥ 3.00 per MWh
