## EEX Market Message

# EEX Derivatives Trading for Gas instruments disturbed via Trayport Joule Frontend

Dear Trading Participants,

Due to technical reasons, trading in EEX Gas instruments via Trayport Joule Frontend is disturbed. We are investigating the issue with the highest priority. Please use the native T7 GUI or call EEX Market Operations for Trading on Behalf. We will inform you as soon as the issue solved.

Please note that EEX spot trading is not affected.

If you have any questions, please do not hesitate to contact the Market Operations team.
