

Delisting of all EEX ZTP L Spot Contracts with gas delivery as of 1 September 2024

Dear Trading Participant,

Following the regulatory approval by the Belgian gas regulator, CREG, to decommission ZTP-L gas contracts as from 1 September 2024, EEX will delist all ZTP L Spot Contracts with gas delivery as of 1 September 2024.

Delisting schedule

The delisting is planned according to the following timeline:

Date	Time (CEST)	Contract
Saturday, 24 August 2024	02:59:59	EEX ZTP L Weekend
Sunday, 25 August 2024	02:59:59	EEX ZTP L Sunday
Friday, 30 August 2024	02:59:59	EEX ZTP L Day-Ahead
Saturday, 31 August 2024	02:59:59	EEX ZTP L Saturday
Sunday, 1 September 2024	01:59:59	EEX ZTP L Within-Day

Until then, ZTP L Spot Contracts with delivery until 31 August 2024 (gas day) are still tradable at EEX. Furthermore, all EEX ZTP Spot Contracts remain unchanged.

Admission

Following the delisting of ZTP L Spot contracts, EEX and ECC will revoke the respective admission of the trading participants concerned, with effect on 1 September 2024.

Yours sincerely,

European Energy Exchange
