

EEX tenders new market making agreements for Emission Futures Market

Dear trading participants,

EEX is pleased to offer five seats for the market making¹ scheme in EEX Emission Futures. EEX invites all its interested direct and indirect trading participants to participate in the tender. The program combines standardisation with flexibility aiming to provide best service and attractive compensation under all market conditions.

EEX intends to select five market makers for EEX Emission Futures according to the rules laid down in the tender [rulebook](#).

Trading participants who wish to take part in the market maker tender are requested to complete and submit their application to EEX no later than 25 October 2024 CEST. EEX reserves the right for plausibility checks of the bidding forms and may exclude participants from the selection process.

For more detailed information as well as the necessary documentation and rule book, please get in touch with your Key Account Manager. Furthermore, please do not hesitate to contact Market Operations if you have any questions.

¹ When used in this Customer Information the term “market making” this shall also include the provision of quoting services by indirect trading participants of EEX and the term “market maker(s)” shall also include indirect trading participants of EEX providing such quoting services.

Yours sincerely,
