

EEX tenders new market making agreements for dedicated Natural Gas Futures Markets

Dear Trading Participants,

EEX is pleased to offer further seats for the market making¹ scheme in EEX PVB Natural Gas Futures and in the EEX PSV-TTF and PVB-TTF Natural Gas Futures Location Spreads. EEX invites all interested direct and indirect trading participants to participate in the tender. The program combines standardisation with flexibility aiming to provide best service and attractive compensation under all market conditions.

EEX intends to select one additional market maker for each of the above-mentioned markets according to the rules laid down in the tender rulebook.

Trading participants who wish to take part in the market maker tender are requested to complete and submit their application to EEX no later than 15 November 2024 CET. EEX reserves the right for plausibility checks of the bidding forms and may exclude participants from the selection process.

¹ When used in this Customer Information the term “market making” shall also include the provision of quoting services by indirect trading participants of EEX and the term “market maker(s)” shall also include indirect trading participants of EEX providing such quoting services.

For more detailed information as well as the necessary documentation and rulebook, please get in touch with your Key Account Manager. Furthermore, please do not hesitate to contact Market Operations if you have any questions.

Yours sincerely,
