## Extension of TTF Natural Gas Derivatives and TTF EGSI Natural Gas Derivatives to M+35

Dear trading participants,

The European Energy Exchange (EEX) extends the number of tradeable expiries within the EEX TTF Natural Gas Month Futures and TTF EGSI Futures to the next 35 individual months with effect from 7 July 2025.

Today, EEX is offering trading and trade registration in TTF and TTF EGSI Natural Gas Futures for the respective next 12 full months.

The extension will automatically be available for all clients currently admitted to the EEX TTF Natural Gas Month and EGSI.

The admissible individual quarters, seasons and calendar years remain unchanged. The [Contract Specifications](#) have been updated accordingly.

Please do not hesitate to contact EEX Gas Market Operations by phone + 33 1 73 03 96 24 if you have any further questions.

Yours sincerely,

Gas Market Operations
