

## EEX raises maximum tradable price for Power Futures

Dear Trading Participants,

EEX will increase the maximum price for order entry, trade matching and trade registration across all EEX European Power Future contracts within the T7 trading system to a maximum of 999,999 EUR/MWh. For EEX GB Power Futures, the maximum price will be increased to 999,999 GBP/MWh and for EEX Japanese Power Futures to 999,999 Yen/kWh respectively. Furthermore, the maximum strike value for all EEX Power Option contracts will also be increased to 999,999.

The changes take effect on 3 February 2025.

Please do not hesitate to contact EEX Market Operations by phone or email if you have any further questions.

Yours sincerely,

EEX Market Operations
