

Position Limits for THE as per 26 June 2025

Dear Trading Participants,

Acting as the Competent Authority pursuant to Article 57 paragraph 4 of Directive 2014/65/EU (MiFID II), the German Federal Financial Supervisory Authority (BaFin) today published on its website spot month position limits and other months position limits for THE natural gas futures contracts listed on EEX.

The position limits will apply to EEX's physically settled THE natural gas futures. Financial Gas Futures settled against the European Gas Spot Index (EGSI) are not covered.

The position limits will apply as of 26 June 2025. The position limits and other relevant information can be found on [the website of Bafin](#).

Position limit exemptions can be requested with Bafin.
