New Incentive Scheme – Initiation of volume execution in German Power Months contracts

Dear Trading Participants,

The EEX European Energy Exchange is introducing a new incentive scheme for its German Power Months contracts, rewarding the initiation of executed trades in the order books. The incentive scheme will be effective from **1 October 2025** initially until the end of the year and enable market participants to share a revenue pool of **EUR 500,000 each month.**

A monthly ranking of the accumulated initiated (passive) traded volume determines which members receive a share in the revenue pool and the amount of their shares.

Payout structure:

Rank	Share
1	50,000 EUR
2	46,000 EUR
3	43,000 EUR
4	41,000 EUR
5	39,000 EUR
6	37,000 EUR
7	35,000 EUR
8	33,000 EUR
9	31,000 EUR
10	29,000 EUR
11	27,000 EUR
12	25,000 EUR
13	23,000 EUR
14	21,000 EUR
15	20,000 EUR

Further Key Facts:

Scope: German Power Base Months contracts, front/ second/ third maturity

Admission: No additional sign-up necessary, relevant volumes will automatically be counted

Eligibility: Open for all EEX members but limited to own account trading volumes

Agency business: Clients of EEX members (Agency trading, A-accounts) will only participate if the member notifies EEX of the clients' intention to participate upfront including provision of the name and client-ID of the respective clients, and EEX confirms participation of the clients.

Please feel free to reach out to your Key Account Manager or contact EEX Market Operations with any further questions.

Yours sincerely,
