

EEX to suspend FEU2 Dec 27 and Apr 28 contracts

Dear trading participants,

Following the adoption of positions by the Council of the EU and the European Parliament to postpone the start of the compliance obligation under EU ETS2 from 2027 to 2028, EEX has decided to suspend the following maturities of EEX EU ETS2 Futures from trading as of **17.11.2025** until further notice:

- December 2027
- April 2028

All other maturities remain available for trading.

Yours sincerely,

EEX Market Operations
