

## EEX offers a Market Maker and an Initiator programme in the EEX UKA Futures Market

Dear exchange participants,

In preparation for the launch of EEX UKA Futures on 26 May 2026, EEX offers a Market Maker programme and an Initiator programme for the UKA Futures Market.

EEX invites all interested direct and indirect trading participants to take part in a tender for seats in the Market Making scheme for EEX UKA Futures Outrights and Time Spreads. The programme combines standardisation with flexibility, aiming to provide best service and attractive compensation under all market conditions.

The new Market Makers for EEX UKA Future Outrights and Time Spreads will be selected according to the rules laid down in a Tender Rulebook, which will be provided to you by EEX on request.

Trading Participants who wish to take part in the Market Maker Tender are requested to complete and submit their application to EEX no later than 15 May 2026 (end of day, CEST). EEX reserves the right to conduct plausibility checks of the bidding forms and may exclude participants from the selection process.

For more detailed information as well as the necessary documentation and rulebook, please get in touch with your Key Account Manager (KAM). Furthermore, please do not hesitate to contact EEX Market Operations if you have any questions.

In addition, EEX is pleased to offer 5 seats in its UK ETS Initiator programme. Interested Trading Participants shall contact their KAM or send an e-mail to [sales@eex.com](mailto:sales@eex.com) by 15 May 2026 (end of day, CEST) latest for further details.

EEX reserves the right to accept only Trading Participants that have proven their reliability and if there are more applicants than seats, participants will be selected according to their previous performance (past volumes, open interest, market feedback).

Yours sincerely,
