EEX to change the underlying of Futures on Dry Bulk Trip Time Charter Routes

Dear trading participants,

On 28 April 2016, EEX will change the underlying for its Futures on Dry Bulk Trip Time Charter Routes. These are:

P1A Panamax Transatlantic Freight Future

P2A Panamax Far East Freight Future

P3A Panamax Pacific Freight Future

The underlying will change for the 3 routes from the arithmetic average of all spot price assessments of the respective month to the **arithmetic average of the last 7 daily spot price assessments of the respective month** as published by the Baltic Exchange.

All other product details stay unchanged.

The revised contract specifications can be found here:
