

# Hallo Leipzig.

**Hello from ECC**, the leading clearing house for energy and commodity products in Europe. As part of the EEX Group, we have our roots in Leipzig and 16 offices worldwide. For our customers, we make trading more secure through physical and financial settlement of transactions concluded on the EEX Group exchanges. What's the secret to our success? We are an expert team of dynamic individuals that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together.

## Senior Project Manager (f/m/d) Leipzig – fulltime

### You will be responsible to:

You will be responsible to direct and manage the entire life-cycle of functional and technical, local and international projects of varying sizes and complexity following the PRINCE2® methodology in an agile environment. It is important that you identify and proactively manage project risks and issues, project dependencies and critical path, changes in project scope, and devise contingency plans. Furthermore, you will work with resource managers to identify and acquire the required project personnel from within the company or determine and assess the need for additional staff and/or consultants. An additional task will be to develop and maintain close and effective working relationships with senior stakeholders to ensure clear communication lines are established and maintained. Your personal skills to coach, mentor, motivate and supervise project team members is needs as well as so to encourage them to take positive action and take accountability for their assigned work. In doing so, you will actively develop international energy and commodity markets, accompany product launches and, of course, receive a great deal in return for your outstanding performance from your team. After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.
