

# Hallo Leipzig.

**Hello from ECC**, the leading clearing house for energy and commodity products in Europe. As part of the EEX Group, we have our roots in Leipzig and 16 offices worldwide. For our customers, we make trading more secure through physical and financial settlement of transactions concluded on the EEX Group exchanges. What's the secret to our success? We are an expert team of dynamic individuals that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together.

## (Senior) Policy Management Officer (f/m/d)

**Your tasks:** As our (Senior) Policy Management Officer you will shape, coordinate and administer our internal process to create, align, decide and implement such guidelines. You will monitor and support Policy Owners in EEX and ECC in the creation of high-quality regulations, ensure change in internal regulation is well managed, meets quality gates and timelines; and administer the body of internal guidelines. You will cooperate with comparable functions in other legal entities of EEX Group and Deutsche Börse Group. Your eagerness to learn and share and your willingness to collaborate with a diverse range of colleagues from various backgrounds will help you make a valuable contribution to the resilience of our company and ultimately strengthen our role in energy and financial markets. After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.
