

# Bonjour Paris.

**Hello from EEX.** As the leading commodity exchange in Europe, we develop, operate and connect the markets for global energy and commodity trading from Paris and 16 other worldwide offices. What's the secret to our success? We are an expert team of dynamic individuals that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together.

**Market Operator**  
**Permanent position (f/m/d),**  
**Paris based**

## Your responsibilities:

As part of our Market Operations team, you ensure orderly production on EEX gas markets as well as Registries. In one of the central functions of the exchange, you are in close contact with members and internal departments. As a Market Operator, you provide support to members on request about products, systems access and functionalities. You supervise daily production including settlement and index calculation and, manage incident both for market or system events. You contribute to project for product launch, internal improvements, system upgrades. And last but not least, you setup system for products or members.

In doing so, you will become a valued partner for different stakeholders inside EEX Group as well as for external parties. In return you will receive a great deal for your outstanding performance from your team. After all, we value the exchange of ideas, working together and encouraging each other to become better. We call it: The exchange mindset.
